

5 Closure

Brand: Kki Essences

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Price from: £7.99

Short Description

Drawing a line under past particularly difficult or harrowing events. Liberation from what has gone before. Applications: where someone has gone through one phase and is starting another and is uncertain about what will come next. Helping to feel safe and contented in this present moment. Land and Buildings: When changes are being made i.e. Converting a house into flats, or vice versa, a barn or warehouse into a home, wasteland to be used for housing etc.

Description

(Photos: On high ground after a Tsunami warning view of where I'd come from, on a cliff path, turbulent waters of French Pass. Moonlight at Port Ligar).

Drawing a line under past particularly difficult or harrowing events. Liberation from what has gone before.

Applications: where someone has gone through one phase and is starting another and is uncertain about what will come next. Helping to feel safe and contented in this present moment.

Land and Buildings: When changes are being made i.e. Converting a house into flats, or vice versa, a barn or warehouse into a home, wasteland to be used for housing etc.

Please let me know about your experience of using a **Messenger of Light** essence,

together with any comments from people around you who have noticed changes.

Directions For Use

Stock Bottles

For dosage strength place 5 drops of stock into 50ml of water.

Use of dosage strength: place up to 5 drops into your mouth, or massage into your hands and apply wherever you feel the need as described below.

Mister Bottles

Mist around your head, body and feet, onto your wrists or hands.

Mist around a room, building or land.

Mist onto bathwater, hot or cold drinks and food.

Use three times a day, or intuitively as often as you feel is required.

Pilules

MADE TO ORDER: Suitable for children and alcohol intolerant people. Small dispenser of 100 ready-to-drop into your mouth sucrose pilules, take three times a day or use intuitively.
